

## Pneumatic cylindrical/conical screen printer

### Feature

- 1 Microprocessor control each function with high automation and easy operation;
- 2 4-digit auto counter built in;
- 3 Cylindrical/conical printing function available;
- 4 Auto ink squeegeeing and flooding, worktable elevating to assure easy operation and consistent print quality;
- 5 Printing stroke and speed are adjustable to meet different requirements;
- 6 Fine adjustment available on squeegee left/right position to make substrate alignment easy and exact;
- 7 Fine adjusted available on worktable up/down and plane angle, and frame front/rear, left/right and up/down with high printing precision.

### Main parameter

Model	max printing area	max size of frame	Max. diameter	Max. Printing speed	Max. workpiece height	Air consumption
TX-360M	200*300	380×350mm	300mm	1200 /Hour	≤300mm	(6bar);

FOB Shanghai or Ningbo ,China      USD3800/SET
